

## 10% Intranet Announcement

---

We are excited to announce that because of our alliance with Rasmussen College, employees AND immediate family members can advance skills and receive a 10% tuition grant to start, resume or finish your education!

Get more details now about qualifying and what programs are offered with a 10% tuition grant by visiting [rasmussen.edu/corporate](https://rasmussen.edu/corporate). Complete form for more details and to ensure eligibility.

Rasmussen College is a regionally accredited private college dedicated to changing lives through high-demand, flexible educational programs. Since 1900, the College has been committed to academic innovation and providing easier access to a high standard of learning. Rasmussen College offers more than 50 quality, challenging programs across seven schools of study in a variety of convenient learning options.

Our programs are offered through flexible learning options which allow you to balance work, school and family. You have the opportunity to get credit for past experience and take control of your own learning with a wide net of support services there when you need it.
